

REGISTRATION

Haiti Mission Trip 2016

Name (as it appears on passport – usually your full name) _____

Passport Number _____

Passport Date of Issue (XX/XX/XXXX) _____ Exp. Date _____

Birth date (XX/XX/XXXX) _____

Address _____

City/State/Zip _____

Phone _____ Cell _____

Email _____

T-shirt Size _____

_____ Enclosed is my \$250.00 non-refundable deposit (Make checks payable to Lord of Life. Mail to the attention of Lisa M. Hellyer at 3105 W. 135th St. Leawood, KS 66224 or drop it in the box outside Lisa's office at church.)

_____ I am registering for the January 10-18, 2016 Mission Team.

Projects include: Children's Ministry (VBS), Medical Clinic (Health Professional), Men's and Women's Bible Studies, Medical Clinic (Support Staff), Painting School

Please indicate your top 3 choices of projects. Only list the projects you are interested in doing as you may not get your first choice. I consider the gifts of all the team members and where the best fit for each individual would be.

1. _____
2. _____
3. _____

All registrations and deposits are due NO LATER than Sunday, October 4, 2015. Please be aware that spots may fill up, closing registration prior to the registration deadline.

HAITI MISSION

2016 FAQ

How much does the trip cost? The cost of the 2016 Haiti Mission Trip is \$2000.

What costs are included in my trip?

The money you pay to go on this trip (\$2,000.00) covers the cost of flights, housing, meals in Haiti, ground transportation in Haiti, tips, translators, team shirt, insurance, and program fees.

What costs are not included in my trip?

We do not cover meals on travel days, personal checked baggage fees, flight changes, or souvenirs.

When will the money for the trip be due?

After your initial deposit of \$250.00 due with your registration, your second payment of \$900.00 will be due on Sunday, October 4, 2015. The final balance of \$850.00 will be due Sunday, December 6, 2015. If you have any questions about the payment schedule, contact our team leader, Lisa Hellyer. Her contact information is at the bottom of the FAQ. **Full payment must be received by December 6, 2015.**

What happens to my money if I can't go on the trip?

- If you cancel at any time you lose your \$250.00 deposit.
- If you cancel on or after October 4, 2015 you are responsible for 50% of the cost of your trip (\$1000.00), if no replacement is found.
- If you cancel on or after November 10, 2015 you are responsible for the full cost of your trip (\$2000.00), if no replacement is found.

Note: Lord of Life does not want you to pay half or full cost of a trip you are not going to take. We will look diligently for a replacement. However, if no replacement is found, Lord of Life will not pay a cost that belongs to someone else. You will be responsible for the amount indicated above.

Will I need a passport?

Yes! You definitely need a passport to travel to Haiti. You do not however need a travel VISA. If you do not have a passport, now is the time to get the ball rolling. If your current passport expires on or before June 18, 2016, you will have to get a new passport. It doesn't take long to get a passport, but you don't want to wait until the last minute and then have to pay extra to have the process expedited.

Will I need any immunizations?

Yes! This website <http://www.nc.cdc.gov/travel/destinations/haiti.aspx> from the Center for Disease Control will give you the latest details. Please check it out. In short, you'll need Hepatitis A, Hepatitis B, Typhoid, and Tetanus. You will not need Rabies. Your doctor's office can give you the Hepatitis and Tetanus shots. For Typhoid, you can ask your physician for an oral prescription (lasts 5 years), or you can go to a clinic to receive a Typhoid shot (lasts 3 years). You'll want to get started on your Hepatitis shots right away as they require several boosters. It is okay if you don't get them all in before the trip, but why wait. The good news is that Hepatitis shots are good for life!

What other medical information should I know?

It's always a good idea to let your primary physician know you are traveling to a 3rd world country like Haiti. **You will need a prescription for malaria as well as an antibiotic.** The antibiotic is for a "just in case"/traveler's diarrhea situation. It is more difficult for us to get quality medicine in Haiti so it is better to travel with it. Most doctors are more than willing to write this prescription for you. If you are on any prescriptions make sure to take more than enough with you just in case we get delayed for any reason in our travel.

How can I begin to raise funds to cover the cost of my mission to Haiti?

The best way to raise funds is to write a letter to your friends and family asking for support. Even if you can underwrite the entire cost of the trip, I believe this is a good thing to do because it raises awareness for mission work. It also helps people contribute to something that perhaps they may not have previously considered. The choice is entirely up to you. If you would like a sample letter or feedback on one you put together, email Lisa Hellyer at lisa.lordlife@gmail.com.

Can we do fundraisers at Lord of Life to help pay for our trip? Unfortunately, we do not allow funds to be raised in this way. I'm sure you can understand the difficulty this may cause if all the members of the mission team tried to raise funds at Lord of Life. In order to make fundraising reasonable for our members and to make it equitable among team members, we don't allow any fundraising at Lord of Life to help cover the individual's cost of going to Haiti. All fundraisers Lord of Life does for Haiti pay for the projects we undertake, i.e., construction, medical supplies, VBS supplies, etc.

Can those who contribute receive a letter indicating they gave a charitable contribution?

People who contribute \$250.00 or more will receive a letter from Lord of Life indicating the charitable contribution we received. If those who contribute would like a donation letter from us, your name **cannot** appear anywhere on the check.

People who contribute less than \$250.00 can use their cancelled check as their receipt. People should write their checks payable to Lord of Life and give the money directly to you. When you turn those gifts over to me, please put them in an envelope with your name on the outside of the envelope.

If people want to use their gift as a tax deduction, please remind them that your name cannot appear anywhere on the check.

If you are paying for your own trip and you are a member of Lord of Life, you will receive your tax letter at the end of the year on your contribution statement.

If you are paying for your own trip and are not a member of Lord of Life, we will provide a tax letter to you as long as your payment is \$250.00 or more. If you make payments less than \$250.00 simply use your cancelled check as your record for a tax deduction.

Is there a limit to how many can go on the trip? We are limiting the size of the team to 40 people.

Can people from outside of Lord of Life go with us to Haiti? Yes, if there are open spots. The trip is available to Lord of Life members first. Please direct non-members to our website, www.lordlife.com to download the registration and FAQ.

Where will we be staying?

We will be traveling to Haiti in one day! Once in Haiti we will stay at Wahoo Bay Resort. It is located right on the beach, has a great pool, and the rooms are nice and comfortable. Feel free to check out their website at <http://wahoobaybeach.com/>

What about sleeping arrangements?

Each room has 2 double beds. The hotel provides linens and towels so there is no need to bring those things. We put 2-3 people in a room, depending on our male/female breakdown. If you are in a room with 2 others who are not related to you, an extra bed will be made available.

What do we eat while in Haiti?

We will eat breakfast and dinner at the hotel. They know how to cook for Americans. The food at the hotel is VERY good! They do have some local cuisine but also things you will find somewhat familiar. For example, they usually serve French fries, rice, fresh bread, eggs, fruit, etc. On the job site, the local women prepare a lunch for us and those working alongside us. The food is safe for us to eat. The cuisine is always local—fried plantains, goat, local vegetables, fish stew, etc. It is also very good. If you choose, you can pack things like beef jerky, peanut butter crackers, protein bars, etc. to tie you over until dinner. We have had very little trouble with people getting sick from the food, but it does sometimes happen.

What will the Mission Projects be like?

We have 5-6 main work areas in which people can serve.

- **VBS:** Each weekday morning (Tuesday - Friday) we will offer a VBS-type event for the school children. VBS includes the telling of a Bible story through skit as well as a craft to go along with the story. The afternoons are spent playing with the children on the school campus. They especially love to play soccer, basketball, volleyball, etc.
- **MEDICAL/Dental CLINIC (Medical Professionals):** Each weekday (Tuesday – Friday) we will operate a basic medical clinic out of the church building for the people in the community. We need Doctors, PA's, and nurses to see patients and prescribe a course of treatment for each patient. There will also be an emphasis on health education.

- **MEDICAL CLINIC (Support Team):** The support team will serve in filling prescription orders and running tests to and from for the Physicians and Nurses. This task requires great organizational skills and a desire to support the medical professionals in whatever they need. We also need team members to help with crowd control, taking temperatures, and getting patient's weight.
- **PAINTING THE SCHOOL:** We will utilize a small team of people to assist the local Haitians in getting the classrooms and office painted for their preschool. This is exciting for them and for us as the students have been in a drab, concrete classroom until now.
- **Men's and Women's Bible Studies:** We are very excited to continue this work. Christ the King in Merotte counts on us to help them disciple their men and women. The people who work on this team will develop or find appropriate material, work to get it translated, and will teach the students who come our way.

Is there anything I should be collecting? Our main focus this year is school supplies, backpacks, and shoes (good condition with new shoelaces). We are breaking down the needed items for the kits and both clinics, and asking for Lord of Life members and others you know to contribute the listed items. Once teams are assembled, there may be additional items needed. We are limited to what we can take over there, so please don't ask for donations unless you clear that first through Lisa Hellyer, the Mission Team Leader.

- Backpacks
- Pencils, Sharpeners, & Erasers
- Children's Pain Reliever (motrin, ibuprofen, Tylenol)
- Full Size Child & Adult Toothpastes
- Plain Paper (copier paper)

What about luggage? We are limited to 2 suitcases per person. We ask that each participant reserve your checked suitcase for supplies. If your second (personal) suitcase is too big to carry on, the cost of checking that bag (approx. \$40.00) will be your responsibility.

What about the language barrier?

We utilize several translators to help us communicate. We love and value them a great deal! You should consider purchasing a Creole book or surfing the internet in order to learn some basic phrases.

What else should I expect? Come expecting **God to do amazing things** in you and through you. Come expecting to **build relationships** with our brothers and sisters in Christ. Our number one objective is to strengthen the ministry of Christ the King Lutheran Church as they reach out to the community of Merotte. We also strive to build relationships as we have the opportunity to be the hands, feet, and voice of Jesus to our Haitian friends. Come expecting **to be flexible**. No matter how much we plan, mission trips require flexibility and positive attitudes. We are making ourselves available for whatever God brings our way.

Important Dates to Remember:

- October 4, 2015 – Registration Deadline
- October 4, 2015 – Second payment due (\$900.00)
- October 25, 2015 (9:30am) - Haiti Orientation for **ALL** Mission Team Members
- December 6 – FINAL payment due (\$850.00)
- January 10, 2016 – Depart from KCI (6:00am)
- January 18, 2016 – Return to KCI (11:10pm)

Who should I contact if I have other questions?

There is no way we could answer every question on this FAQ, so feel free to contact Lisa Hellyer, the team leader if you want more details. Her contact information is as follows:

Lisa M. Hellyer
3105 W. 135th St.
Leawood, KS 66224
